A TREE FOR RYAN

By **Brian Jopek**
OF THE LAKELAND TIMES

During the 1990s, I lived with my wife at the time and our kids in Chanute, Kan., in the southeast corner of the state.

During the summer months, Ryan, Jessica and Steven would spend a few weeks with my mother and father in Antigo; my mom, dad,

my two brothers and I had moved there in July of 1972 from Effingham, Ill.

Over the years during the 90s when the kids were in Antigo from Chanute, their grandparents would take them to different places in the country, whether visiting my brother Matt in New Mexico or up north to see different things along the Lake Superior shoreline.

A favorite thing for the kids, though, was to go with my mom and dad to Langlade County Veterans Memorial Park in Deerbrook.

Back in the day, when I was a kid, it was known as Jack Lake and we would take the custom built, 18 1/2 foot blue fiberglass canoe named "Sacajawea" (my dad is a huge fan of the Lewis and Clark expedition of 1804 to 1806) to the lake

to paddle around it.

So, by the time my three kids were old enough, they also enjoyed the trips to Jack Lake, trips that were made many times and made many memories for the kids and for their grandparents.

Fast forward to August, 2006, and the days after my oldest son, Ryan, was killed in action in Iraq just two weeks from coming home.

He was 20-years old.

My dad said Tom Lazars, Langlade County's campground and parks manager, is who came up with the idea to plant trees at Veterans Memorial Park next to Jack Lake for local troops killed in action.

Currently, there are three trees, one for John Mattek of Deerbrook, a U.S. Marine who was killed in action in Iraq's Anbar Province in June, 2005, another for U.S. Army Pfc. Grant Dampier of Merrill who was killed in action on May 15, 2006, near Baghdad, Iraq.

Grant and Ryan are buried next to each other at the Merrill Cemetery.

The third tree planted by Lazars and his crew was for my boy, Ryan.

Initially, it was a black walnut planted eight days

after Ryan's funeral on Aug. 14, 2006, but that tree didn't work out and it was ultimately replaced with a maple tree which has worked out nicely over the years.

During the spring and summer months when I go to Antigo to visit my folks, I sometimes stop by Jack Lake to see how Ryan's tree is doing.

Each tree has a plaque and Ryan's has a narrative that was written by his grampa Jopek for his oldest grandkid.

"This tree planted (on) August 22, 2006 in memory of Sgt. Ryan D. Jopek, Wisconsin Army National Guard," my father wrote. "Ryan was killed August 2, 2006 near Tikrit, Iraq escorting a convoy in the service of his country. During his short life, he inspired those he touched through his kindness, friendliness, compassion, tolerance and commitment in achieving his goals. Over years of visiting family in Antigo, Ryan enjoyed canoeing, hiking and swimming at Veterans Memorial Park."

The narrative concludes with a quote from British statesman Stanley Baldwin my mother suggested.

"War would end if the dead could return."

CHARLES CORDINER STEELE

BORN: SEPT. 10, 1910

KILLED IN ACTION: MAY 11, 1945

By Brian Jopek
OF THE LAKELAND TIMES

The son of Oneida County judge Henry F. Steele, U.S. Navy Lt. Cmdr. Charles Cordiner Steele, a Rhinelander native, was killed in action on May 11, 1945.

“The Navy Department message did not give the date or location of the action in which Lieut. Comm. Steele lost his life, but said that he had been buried at sea with full military honors,” a front page article published in the June 1, 1945, edition of *The Lakeland Times* read.

The article, also published in the *Rhineland Daily News*, stated Steele was born in Rhinelander on Sept. 25, 1910.

“He was an outstanding student in school and served as president of his class, graduating in 1927,” the article read. “Active in the school band, he was president of the band members’ organization and manager of the school football team in his Senior year. He was also active in Hi-Y Club activities throughout his high school years.”

Following graduation from high school, Steele enrolled at Lake For-

est College in Lake Forest, Ill., “where he also had a distinguished record in student campus activities.” The article said he graduated from Lake Forest with the class of 1932 and was entered the employed by the Peabody Coal Company of Chicago, left that job and began a stint with another Chicago company, the advertising firm of Hayes, MacFarland and Company.

Steele was there for a year before taking a job with the Meredith Publishing Company Firm, “advancing to the status of advertising department executive.”

“He was a member of the Racquet Club and the Advertising Club of Chicago,” the article reads.

Steele was commissioned as a lieutenant (junior grade) in the U.S. Naval Reserve on Feb. 1, 1942.

“Following a course of indoctrination at Quonset Point, Rhode Island, he was assigned to a Navy aviation base in Newfoundland, where he served for 15 months,” the article states.

While stationed at Newfoundland, Steele was promoted to the rank of lieutenant and selected as one of 50

officers to be sent to the Navy’s War College “for special training in staff work.”

“At the conclusion of the training he went to sea, going into action in the Pacific area in the late fall of 1943,” the article states. “He was home for a visit with his father late last year, between tours of duty. His promotion to the rank of lieutenant commander was announced at about the time of that leave. He returned to duty at sea in January.”

Steele was aboard the Essex class aircraft carrier U.S.S. Bunker Hill (CV-17), one of the Navy’s ships offshore during the battle for Okinawa that began in April, 1945.

On May 11, 1945, the Bunker Hill was struck by two Japanese kamikazes.

396 of the crew were killed or missing as the result of the attack; 264 were wounded.

Among the 396 members of the Bunker Hill’s crew who were killed in the attacks on the Bunker Hill that day was U.S. Navy Lt. Cmdr. Charles C. Steele of Rhinelander.

He was posthumously awarded the Legion of Merit “for exceptionally meritorious conduct in the performance of outstanding services to the Government of the United States as Aide, Flag Secretary and Staff Watch Officer, Commander, First Carrier Task Group, U.S.S. Bunker Hill (CV-17), from 20 December 1944

to 11 May 1945.”

Steele was also posthumously awarded the Bronze Star and Purple Heart.

JOHN EDWIN FAGER, JR.

BORN: MAY 30, 1926

KILLED IN ACTION: MARCH 29, 1945

By Brian Jopek
OF THE LAKELAND TIMES

Among the articles on the front page of the May 11, 1945, edition of *The Lakeland Times* was an article about the death of Pfc. John Edwin Fager, Jr.

According to information from the Find A Grave website, the nearly 19-year-old Fager was assigned to Company G, 359th Regiment of the U.S. Army's 90th Infantry Division when he was killed in action on March 29, 1945, in Germany.

Fager was born on May 30, 1926, in Chicago and at

the time of his death, his parents lived in Manitowish Waters.

"The V-E Day proclamation brought a full measure of sadness to relatives of Private First Class John Edwin Fager, Jr." the article in the *Times* read. "Johnny was killed in action against the enemy in Germany on March 29, according to information recently received from the War department by his father, J.E. Fager, Sr., and his foster mother, Mrs. Hulda Westin, town of Manitowish Waters; and Johnny will not be with the boys when they

come marching home."

The article continues with a letter home that was dated March 29, 1945, the day Fager was killed.

"Dear Dad and Mother: Well, I hope everything back home is fine. I am getting your mail and it sure is nice to hear from you. I am in the best of condition. Picked up a little Athlete's Foot, and am having it treated. It's just starting, so I guess I caught it in time.

Don't know what I can give you and Dad for Easter, Mom, but I send all my love to you both. I miss you very much.

How is everybody back home?

Has Sven still got lumbago? I hope you all feel O. K. Don't worry about me because everything is fine and

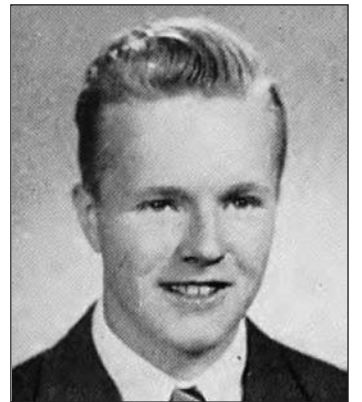

dandy. If you have been following the news lately, I guess you have some idea where I am likely to be. I can't tell you because it's a military secret.

Please write when you can. Love, Sonny."

Fager was, according to the *Times* article, "inducted into military service Aug. 10, 1944."

"Following seventeen weeks of training with an Infantry outfit at Camp Fannin, Texas, he left the States around the first of the year, landing in France Jan. 18," the article reads. "Johnny was 18 years of age. His folks operate Holiday Lodge, town of Manitowish Waters."

At some point after his death, his parents moved back to Chicago from Mani-

JOHN T. SCHILLING

BORN: Nov. 3, 1915
KILLED IN ACTION: SEPT. 16, 1944

By Brian Jopek
OF THE LAKELAND TIMES

"John T. Schilling killed in action in Germany," the headline for an article in the very upper left corner of the Oct. 6, 1944, edition of *The Lakeland Times* read.

"Again, the community bows in extreme sorrow," the article begins. "Again the community has paid the price in blood to Cur Hitler and all the rottenness that he stands for."

Schilling's mother had received the message, probably via Western Union telegram as was the case at the time,

from what was, at the time, the War Department.

For decades since the end of World War II, it's been known as the Department of Defense.

"The Secretary of War regrets to inform you that Private First Class John T. Schilling was killed in action in Germany September sixteenth," said the notification Schilling's mother received; his father, John Frederick Schilling, founder and former president of the Minocqua State Bank, died in 1932.

"John entered the service of his Country March 11, 1943. Leaving England around

Sept. 9, he went into France following the invasion. The last letter received from him was written in Belgium under the date of Sept. 13."

Schilling, killed in action three days after he wrote that letter home and just a week after his arrival from England, was assigned to the 110th Infantry Regiment of the U.S. Army's 28th Infantry Division.

He was born in Minocqua on Nov. 3, 1915

"John spent his entire life here up to the time of going into service," the *Times* article read. "He was a graduate of the Minocqua High school. He was employed as a postal clerk for seven years at the Minocqua post office until he went into the Army. A young man of splendid character, John held a high place in the

admiration of the entire community, and the old home town joins with the bereaved family in their deep sorrow."

At the time of his death, his brother David was a mechanic with the U.S. Army Air Force in Italy.

John T. Schilling is buried

in St. Patricks Cemetery in Woodruff with his mother, Ella, who died in 1966, his father and his brother David, who was 85 years old when he died in 1995.

May we never forget
all those who served

THE GOLD STAR

The following poem, written by Edgar Guest, reflects on sacrifice and service:

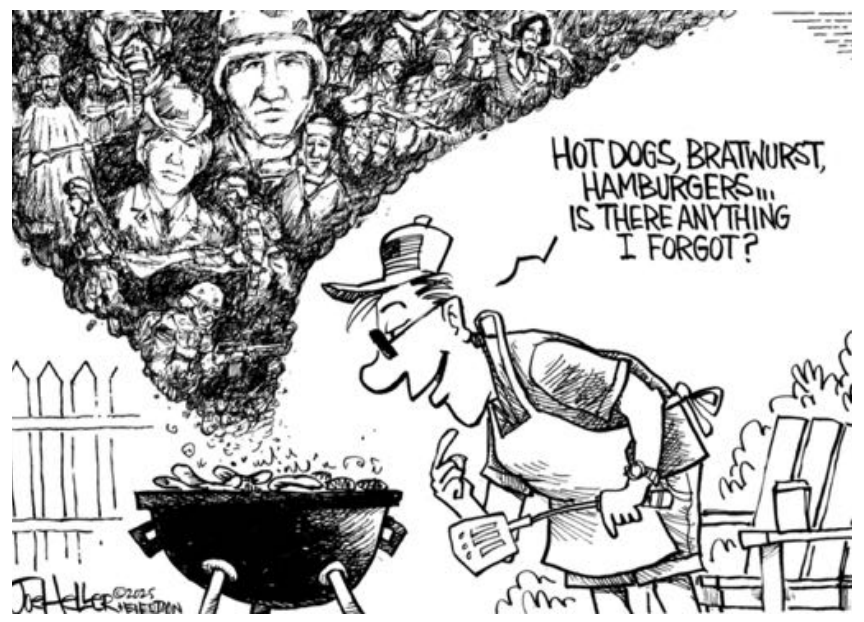

The star upon their service flag has changed to gleaming gold;
It speaks no more of hope and life, as once it did of old,
But splendidly it glistens now for every eye to see
and softly whispers, "Here lived one who died for liberty."

Here once he walked and played and laughed, here oft his smile was known;
Within these walls today are kept the toys he used to own.
Now I am he who marched away and I am he who fell
of service once I spoke, but now of sacrifice I tell.
No richer home in all this land is there than this I grieve,
for here was cradled manhood fine; within this humble place
a soldier for the truth was born, and here, beside the door,
a mother sits and grieves for him who shall return no more.

Salute me, stranger, as you pass! I mark a soldier who
gave up the joys of living here, to dare and die for you!
This is the home that once he knew, who fought for you and fell;
this is a shrine of sacrifice, where faith and courage dwell.

2025 marks the 80th anniversary of the end of World War Two. 80 years since the end of a six-year conflict that resulted in the deaths of millions of people, including more than 400,000 U.S. military personnel. We eternally owe the 400,000 U.S. military personnel lost during World War II. We owe them a lot. Just take a moment, if you would, to remember. - Brian Jopek/Lakeland Times.

The staff of *The Lakeland Times* and *The Northwoods River News* are honored to once again produce our Fallen Heroes section. We believe this is one of the most important publications we provide to our readers, as without the service personnel listed in this edition, we would not have the freedom to do what we do on a daily basis. Those listed in this section died preserving our rights as American citizens, and for that, we can never be thankful enough. As this section took form, we were struck by the sheer number of those just from our state, whose lives ended to ensure our freedoms continue to be our freedoms. We hope all readers of this section take a few minutes out of their daily routines to think about those whom have given their life in service to our country.

We are eternally grateful for those who fought for our freedom, but never made it home.

OF THE LAKELAND TIMES

2025 marks the 80th anniversary of the end of World War Two.

80 years since the end of a six-year conflict that resulted in the deaths of millions of people, including over 400,000 U.S. military personnel.

In this edition of *Fallen Heroes* is the list of those military personnel from the state of Wisconsin who are among the 400,000.

A few from the list are featured in this year's special section.

Memorial Day is stressed whenever this section is put together and there's a good reason for that and I don't say that simply because I'm an Iraq combat veteran and Gold Star father of another Iraq combat veteran.

As I go through the archives and read about people like John T. Schilling of Minocqua and Charles Steele of Rhinelander, I think about not only them but their families as they got the news of the death of their son in combat.

It's definitely something I can relate to, having gone through the "knock on the door" in early August, 2006, when I was notified of the death of my oldest son, Ryan David Jopek, who was killed in Iraq on a convoy security mission.

During World War II and into the Vietnam War, families received the news of the loss of a loved one most often via Western Union telegram.

Another aspect is making sure, if at all possible, to get a face to go with a name.

All these years after the war, as family mem-

bers pass away and information about these soldiers, sailors, airmen and Marines becomes that much more difficult to find, the archives here at the newspaper can be a great help.

That makes it that much more important not to forget these people and what they sacrificed all those years ago in what is still, to this day, the most horrific war ever fought.

So many of us veterans who served in a combat zone in a war were able to come back and continue our lives.

Memorial Day was officially established for men who weren't able to, men like John T. Schilling of Minocqua, Charles Steele of Rhinelander, Gareld Blackburn of Arbor Vitae or J.E. Fager, Jr. who's family lived in Manitowish Waters at the time he was killed in action.

We eternally owe them and the rest of the 400,000 U.S. military personnel lost during World War II. We owe them a lot.

As always, by all means, enjoy the Memorial Day weekend with friends and family.

Have fun and be safe.

Just take a moment, if you would, to remember.
